

```
ffnn::optimizer::Gradient  
Descent< layer::Convolution  
< TARGETS > >::backward
```

A diagram illustrating a step in a neural network's backward pass. A grey rectangular box on the left contains the code `ffnn::optimizer::GradientDescent< layer::Convolution< TARGETS > >::backward`. A blue arrow points from this box to a white rectangular box on the right, which contains the code `ffnn::layer::internal::Interface::isInitialized`.

```
ffnn::layer::internal  
::Interface::isInitialized
```
