

```
ffnn::layer::fully  
_connected::Weights  
::setRandom
```

A diagram showing a call to the `setRandom` method on the `Weights` member of the `fully_connected` class within the `ffnn::layer` namespace. A blue arrow points from this call to the definition of the `setRandom` method in the `ffnn::distribution` namespace.

```
ffnn::distribution  
::setRandom
